### REASONS FOR ALLOWANCE

Claims 1-6 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art (see for example the Dushane et al. reference applied in the initial Office Action) does not teach a programmable digital thermostat comprising the combination of setback activation means as recited in independent claim 1 wherein the activation means is selected by a single action of the user, and wherein during a setback time period the user may at any time temporarily raise or lower the temperature for a predetermined time period, after which the program returns to the offset temperature setting for the duration of the setback time period.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marc E. Norman whose telephone number is 703-305-2711. The examiner can normally be reached on Mon.-Fri., 8:00-5:30, with first Fridays off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Denise Esquivel can be reached on 703-308-2597. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
